Driftwood and Wrecks

1.
Driftwood and wrecks
Driftwood and wrecks
2.
Do you see the man sitting on the bench by the sea?
He remembers life, he remembers love
He remembers the hut they built
3.
Driftwood and wrecks
Driftwood and wrecks
4.
Many years and many moments
The first kiss and all the laughter
He sees the plank they found
Driftwood on the beach
that became the hut's name
The S/S Freja that sank
5.
Driftwood and wrecks
Driftwood and wrecks
6.
He thinks about the wreck on the seabed
About the trees that became the ship's frames, mast and planking
About the birds in the trees
About the fish around the wreck
And about the moments spent in the hut
7.
Driftwood and wrecks
Driftwood and wrecks
8.
All are notes in
All of them are notes in
All of them are notes in life's symphony
