The Whole World Is Burning

1.
The whole world is burning
Nothing is as it was before
The whole world is burning
When will it ever end?
2.
Can't people just be
Kind and content
Love one another, and
Get along
3.
Power-hungry people
Who always want more
They just seem to become
More and more
4.
Respect and honour are replaced by
Fear and oppression
When cavemen rule, and
Love has fled
5.
Can't people just be
Kind and happy
Love one another, and
Get along
6.
The bully is only strong
When cheered on
When left alone, well,
He'll have to go
7.
We have to take matters into
Our own hands
The little people, all
Around the world
And make sure that
All the good things soon
Return
8.
Show some love,
Reach out a hand
No borders here in
The land of the free
9.
We all know how to tie
The bonds of friendship
Don't we?
Don't we?
10.
Now let's put out the fire, so
Everything will be alright
That's what we'll do here and no
