Live for Love

1.
When the sun warms us again
And sparkles on our sea
No other boat in sight
The radar alarm is on
Tell me, darling
Shall we make love then?
Love for life
Live for love

2.
Here we lie, lazily swaying
Alone in the bay
Our swimsuits drying
Lying in the sun on deck, you and I
Tell me, darling
Shall we make love now?
Love for life
Live for love

3.
Love for life – Live for love
(Phrase repeated until verse 6)

4.
Tell me, darling, do you want to make love now?
Tell me, darling, do you want to make love then?
Love for life – Live for love
Tell me, do you want to make love to me?
Tell me, darling, do you want to make love now?

5.
Love for life – Live for love
Love for life – Live for love

6.
After our morning swim, in the nude
The sea is calm and the sky is blue
We happily shower each other
Coffee can wait until later
Because, darling, we know
That we want to make love again
Love for life
Live for love
