The Stress Inside

1.
The to-do list
Just keeps growing all the time
The days go by
And get shorter
I don't understand how this
Equation is supposed to add up
The stress inside keeps growing
How am I supposed to get it all done
Before I die
2.
Tick-tock, tick-tock
Time is chiming
Tick-tock, tick-tock
Time goes by
3.
Tick-tock, tick-tock
The clock is chiming
Tick-tock, tick-tock
Time goes by
(Verse x6)
4.
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Time goes by
5.
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Ticki-tock
6.
The to-do list
Just keeps growing all the time
The days go by
And get shorter
I don't understand how this
Equation is supposed to add up
The stress inside keeps growing
How am I supposed to get it all done
Before I die
7.
How am I supposed to find the time
How am I supposed to find the time
How am I supposed to get it all done
Before I die
(Verse x2)
