Father, Father, please	Oh, please let love be the winner after all
Forgive all my sins	Oh, heavenly Father, hold me tight
Father, Father, please	
Take me in your arms	I like to say that I am thankful
Father, Father, please	For all the love I did receive in my life
Have mercy on my soul	For the love I managed to give to some extend
Father, Father, please	And that you are a part of my life
Hold my hand	For all the tunes that I can play and sing for you
Oh, please let love be the winner after all	For all the colors on the palette in my hand
Oh, heavenly Father, hold me tight	For all the words, that I can say; I love you so
	And for the sun and the moon and the stars
I like to say that I am sorry	For giving me a freedom of a choice
For all the teardrops that I caused	Going places and meeting people of all kind
For the loved ones that I did let down	For the experience and understanding I have gained
Please, let them know I am sorry	And that you talked to me, my lord
Not listening to your guidance nor my heart	
Not incubating the gifts that you gave	Father, Father, please
Not embracing the beauty in my life	Don't give up on me
Please, do accept my apologies	Father, Father, please
	Have mercy on my soul
Father, Father, please	Father, Father, please
Forgive all my sins	Forgive all my sins
Father, Father, please	Father, Father, please
Take me in your arms	Take me in your arms
Father, Father, please	Oh, please let love be the winner after all
Have mercy on my soul	Oh, heavenly Father, hold me tight
Father, Father, please	Oh, heavenly Father, Oh heavenly Father,
Hold my hand	Oh heavenly Father, let me rest in peace
