THE VALIDATION SONG

(DO YOU LIKE IT?)

© MUSIC & LYRICS: CHRISTIAN LANDER 2026.03.18

Do you like it, Do you like it
Do you like my song
Do you like it, Do you like it
Do you like my song
.....
Keep telling myself
I do this just for me
All my music, All my lyrics
What are those to you
.....
But then there's this new
Tune I put out there
And I wonder ....
.....
Do you like it, Do you like it
Do you like my song
Do you like it, Do you like it
Do you like my song
.....
Shall I care or, even bother
If you listen to my song
This is my tune, and yes I like it
I keep playing for myself

But then there's this new
Tune I put out there
And again I wonder ....
.....

Do you like it, Do you like it
Do you like my song

Do you like it, Do you like it
Do you like my song

Do you like it, Do you like it
Do you like my song

.....

I don't care if, you like my music (liar!)
Or even listen to, my song (yes, you do!)

But, if I'm honest, well, really honest
It means a world if you do
