Precious Treasure, Precious Treasure, Precious Treasure, Yes you are  
Precious Treasure, Precious Treasure, you are, Precious Treasure, to me  
Dearest, dearest, dearest child – Children in my life  
Dearest, dearest, dearest child – Precious Treasures of mine

Will I be remembered - Will I live in your heart ?  
Will you still hear me - When I am buried and gone ?  
Telling you - I'm proud of you  
Whispering - I love you so

Precious Treasure, Precious Treasure, Precious Treasure, You are  
Precious Treasure, Precious Treasure, Precious Treasure, To me  
Dearest, dearest, dearest child – Precious Treasure you are  
Dearest, dearest, dearest child – Precious Treasure indeed

You gave life a meaning - Kept me head above water  
Made me wiser, made me strong – Not to judge even if right or wrong  
Honored to have known you - Thankful for your time  
Dearest, dearest – child of mine

Can you hear me, can you still hear me, can you hear me, dear child  
Precious Treasure - Precious Treasure - Precious Treasure of mine
