

# Make my peace

---

Lyrics by Christian Lander 2021.04.22

Father, Father, please - Forgive all my sins

Father, Father, please – Take me in your arms

Father, Father, please - Have mercy on my soul

Father, Father, please - Hold my hand

Oh, please let love be the winner after all

Oh, heavenly Father, hold me tight

I like to say that I am sorry

For all the teardrops that I caused

For the loved ones that I did let down

Please, let them know I am sorry

Not listening to your guidance nor to my heart

Not incubating the gifts that you gave

Not embracing the beauty in my life

Please, do accept my apologies

Father, Father, please - Forgive all my sins

Father, Father, please - Take me in your arms

Father, Father, please - Have mercy on my soul

Father, Father, please - Hold my hand

Oh, please let love be the winner after all

Oh, heavenly Father, hold me tight

I like to say that I am thankful

For all the love I did receive in my life

For the love I managed to give to some extend

And that you are a part of my life

For all the tunes that I can play and sing for you

For all the colors on the palette in my hand

For all the words, that I can say; I love you so

And for the sun and the moon and the stars

For giving me a freedom of a choice

Going places and meeting people of all kind

For the experience and understanding I have gained

And that you talked to me, my Lord

Father, Father, please - Don't give up on me

Father, Father, please - Have mercy on my soul

Father, Father, please - Forgive all my sins

Father, Father, please - Take me in your arms

Oh, please let love be the winner after all

Oh, heavenly Father, hold me tight

Heavenly Father, let me rest in peace
